Pros Choice X-Cide for Smoke (12pt / Case) aka Xcide

Manufacturer: ProsChoice

Don't shy away from smoke odor… Use X-Cide for smoke with the CTI ozone process.

If you have ever had a severe smoke and / or cooking odor problem, you will appreciate a product and procedure that gives you a 100% success rate with no re-emergence of odor.

Add Ozone to the X-Cide For Smoke treatment for an unbeatable, most powerful, odor removal treatment.
