Model Number: Carpet Shampooer

Koblenz 15 Inch Carpet Shampooer Power Scrub Floor Buffer Start Up 20210112

Manufacturer: Clean Storm

This is the #1 best selling home carpet cleaning shampooer floor polisher combo with brush.

Why?

- Super lightweight, and 15" path.
- The machine only weights 61 lbs. so you will not dread taking out of the service truck and putting it to use.
- Lower amp draw compared to other machines so it will not trip circuit breakers.
- The Glide brush supports the weight of the machine and this is super easy to control and use even for beginners.

This kit includes the machine along with the best brush for power scrubbing your carpet cleaning prespray in the fastest, easiest way to power scrub carpets. The machine, the brush and the two attachment to mate this brush to this floor machine. We recommend you consider an injection sprayer for faster prespraying.
