*Equipment: Air Duct Cleaning Machines > Air Duct Brushes & Attachments > Nikro 860115, Forward Air Blast Assembly*

# Nikro 860115, Forward Air Blast Assembly

Model Number: 860115

Nikro 860115, Forward Air Blast Assembly

Manufacturer: Nikro

Forward Air Blast Assembly

Air blast pushes debris forward, away from the operator and towards the vacuum system. Hose is flexible enough to navigate the curves yet rigid enough to prevent the nozzle from curling back towards the operator. 25 feet in length
