Nikro 862037, 20 ft Solid Core Rotary Brush System, w/Button Lock Brushes Black Jacket

Model Number: 862037

Nikro 862037, 20 ft Solid Core Rotary Brush System, w/Button Lock Brushes Black Jacket

Manufacturer: Nikro

20' Solid Core Rotary Brush System w/Button Lock Brushes

Product Description
New snap on design - No need for tools
Can be run in forward or reverse without the possibility of spinning off a brush
Button locking stainless steel design for durability and lasting performance
Solid Core design for rigidity prevents the cable from curling back toward the operator and allows for greater control of the brush head. These systems have a replacement inner rotary core that can be replaced/repaired in the field, providing longer life of the system and preventing down time. Powered by your drill with clutch or one of our clutch driven drills or drive unit.
Product Specifications
Includes:

- 8", 12" and 18" Silica Carbide Brushes
- 4", 8", 12" and 18" Nylon Brushes
- 1 - replacement Inner Core

#860471 - 20" Replacement Inner Core
#862038 - 20' Solid Core Cable w/Button Lock (No Brushes)

Please only use unit with no more than 360 degrees of turns.
Do not spin faster than 320 RPM.
Do not turn cable with the hose coiled up.
Must use a clutched drill or drive box.
If you use a standard drill and break the cable it will not be warrantied.
The only way you can break the cable is to use this with a non clutched drill and or leave coiled up or spin faster than 320 rpm.

Optional

Ironton 46178 Corded Electric Clutch 3/8 Portable Drill
