Model Number: 862039

Nikro 862039, 33 ft Solid Core Rotary Brush System, w/Button Lock Brushes

Manufacturer: Nikro

33' Solid Core Rotary Brush System w/Button Lock Brushes

Product Description

New snap on design - No need for tools

Can be run in forward or reverse without the possibility of spinning off a brush

Button locking stainless steel design for durability and lasting performance

Solid Core design for rigidity prevents the cable from curling back toward the operator and allows for greater control of the brush head. These systems have a replacement inner rotary core that can be replaced/repared in the field, providing longer life of the system and preventing down time. Powered by your drill with clutch or one of our clutch driven drills or drive unit.

Product Specifications

Includes:

- 8", 12" and 18" Silica Carbide Brushes
- 4", 8", 12" and 18" Nylon Brushes
- 1 - replacement Inner Core

Please only use unit with no more than 360 degrees of turns.

Do not turn cable with the hose coiled up.

Must use a clutched drill or drive box.

If you use a standard drill and break the cable it will not be warranted.

The only way you can break the cable is to use this with a non clutched drill and or leave coiled up.

Optional

Irontron 46178 Corded Electric Clutch 3/8 Portable Drill
