Model Number: 42083-1

DSC Products 42083-1, Krush D-Limonene, Traffic Lane Prespray, 2 Cases/8 Gallon

Manufacturer: DSC Products

Traffic Lane Prespray and Spotter

- Krush contains the extract d’Limonene and a combination of emulsifiers and detergents that penetrate the most stubborn soils and prepares them for easy extraction.
- Traffic lane cleaner: Dilute Krush 1:20, spray on and brush into heavily soiled areas before shampooing or extraction.
- Spotting: Dilute Krush 1:10 and spray directly onto the area to be cleaned. Allow to set for three minutes and tamp with a soft bristled brush.
- pH – 7 to 8.
- Flash point – 115°.
