220 Volt Hipster Hip Vacuum (For International Use)

Collects the most soils, leaving exhaust air cleaner with a disposable, heavy-duty paper Micro-Bag mounted inside a washable-cloth shakeout bag. Innovative bag support plate keeps bag from depleting airflow. Patented noise suppressing exhaust chamber makes the Hipster the quietest vacuum in its class. Lightweight design with a four-way belt tensioner that ensures maximum adjustability and comfort. The comfortable waist belt design reduces fatigue, making work easier. Reversible cap makes adjustment easy for both left and right-handed use. Unbreakable stainless steel latches, impact proof Polyethylene body and 1.5 inch industrial hoses make the Hipster durable and long-lasting.
