Steambrite Supply

Shazaam Exhaust Wrap for Truck Mounted Carpet cleaning machines 50 ft X 2 inches 1800 degree rated

ties sold separately.

.Truck mount exhaust wrap, with LavaRock Technology, is made from pulverized lava rock and stranded into a fiber material and is engineered to be stronger than typical wraps on the market today. It has the ability to handle higher heat for improved performance and durability – and with a cool carbon fiber look!

- Universal application
- Extremely pliable for easy install . Will not shrink, and no need to wet wrap to install
- Reduces temperature and vibration breakdown
- High resistance to chemical, oil spills and abrasions
- Withstands 1800 F direct or 2500 F radiant heat
