Manufacturer: Legend Brand

Waste Tank Filter for Truckmounted Carpet Cleaners
Description
MANUFACTURER UPDATE: These are soon to be replaced from the original filter being 10in OVL, to now being 12.5 OVL, please ensure before ordering that your machine can accommodate the additional length.

Please note that in this part number also has represented a shorter 5" screened area instead of a 8.5" screened area. Please confirm you can use the larger filter as this is the default length. If you need the shorter version, we currently do not have an option for your. The waste tank filter company we use has stated they will no longer support this short version as a build.

2.5 in Female Pipe Thread Compatible X 12.5" OVL (Over All Length including nut) (opening is 2-3/4" ruler / diameter)

RECOVERY TANK FILTER SCREENS
