Signature Deodorizer

Water-based general deodorizer provides rapid fabric freshening
The Signature series of products provides a pleasant background fragrance and freshens the air. Signature combines water soluble co-solvents, emulsifiers and odor control essential oils. This combination allows Signature to amplify the aroma already present in the Sapphire Scientific detergent product, Surge Heavy Duty Traffic Lane Cleaner.

When used as a standalone product, Signature provides a pleasant background fragrance and freshens the air. When used as an additive with Surge Heavy Duty Traffic Lane Cleaner, Signature's water soluble co-solvents, emulsifiers and odor control essential oils. This combination allows Signature to amplify the aroma already present in Surge, creating highly effective odor control.
