Model Number: AC10F
Hydro-Force AC10F Hose Mount Carpet Cleaning Lint Filter HydroFilter (Includes Flash Cuffs)
1628-2218 12128

Manufacturer: HydroForce

Hydro-Filter™
In-Line Waste Filter
New Design Improves CFM by 11%*!
*Test performed using a Sapphire Scientific White Magic Pro 1200 Truckmount
The Hydro-Filter is an essential part of your business; the advanced polymer is designed to withstand impacts and high temperatures and allows you to impress your customers by showing them how much dirt is removed – something not possible with opaque filters. The redesigned stainless steel filter protects your vacuum motor from harmful debris and maximizes your machine’s CFM output. Additionally, the screw on lid eliminates broken latches so you can focus on your work, not on repairs.
Stainless steel filter included
Amazingly durable polymer uses the same material used inbullet-proof windows!
All-mesh stainless steel filter reduces turbulence since air passes straight through, not around the filter.
