Malish 782722, Pad-Lok 22in Polypropylene Pad Driver, Plastic Block, GTIN 6-15129-82722-5

Manufacturer: Malish

Malish 782722, Pad-Lok 22in Polypropylene Pad Driver, Plastic Block, GTIN 6-15129-82722-5
Description
Pad-Lok™ is Malish’s best-selling tufted pad driver, engineered for universal compatibility across a wide range of clutch plates and mounting systems. Heavy polypropylene strands, trimmed irregularly at 3/4″, are staple set into our durable TUFF-BLOCK® Showerfeed construction. This allows the tufts to penetrate into the floor pad or bristled floor pad for secure holding power during operation.

Pad-Lok™ is compatible with both 5-inch center hole configurations and traditional lug or gimbal-style mounting systems, making it the most versatile choice to fit a variety of mounting options.
Features

- Heavy polypropylene 3/4″ tufted strands for strong pad retention
- Durable TUFF-BLOCK® construction
- Showerfeed holes for solution dispensing machines
- Universal mounting compatibility
- Standard 5″ center hole with configurable options for non-5″ mounting systems
- Includes 1-1/4″ plastic riser (also available without riser)

$116.27
