Malish 789219NP92, Tri-Lok 19in Polymeric Face Pad Driver, GTIN 6-15129-89219-3
Description
Tri-Lok®, a Malish exclusive, features a patent-pending design that combines the NP-9200 TRU-FIT® Universal Clutch Plate, a built-in riser, and a triangular showerfeed system into a single, integrated pad driver assembly. Engineered for cost-effective performance, Tri-Lok® provides secure pad retention and dependable operation in demanding floor maintenance applications.

Designed for machines utilizing an NP-9200 clutch plate mounting system, Tri-Lok® drives standard and economy floor pads, bristled floor pads, like Flex Scrub®, and bonnets with consistent stability during operation.
Features

- Pre-mounted NP-9200 TRU-FIT® Universal Clutch Plate (5″ center hole configuration)
- Built-in riser for proper machine clearance
- Triangular showerfeed system for solution-dispensing machines
- Compatible with Flex Scrub® bristled floor pads, standard and economy floor pads, bristled floor pads, and bonnets
- Patent-pending integrated pad driver system
