Manufacturer: Malish

Malish 782214, Orbo-Lok 14in Sand Screen Pad Driver, Orbital Machine, Clutch Plate Included
Description
This Malish innovation turns standard floor machines into orbital motion sanders. Use with a loose weave pad and sandscreen. The orbital motion of the ORBO-LOK™ reduces backswirl marks while the pad absorbs dust, allowing increased sanding efficiency and reduced mess! Includes our P-200 clutch plate to fit most machines.
