Clean Storm Complete Auto Fill and Auto Dump Hot Water Connection Kit 20121201

Manufacturer: Clean Storm

Complete Hot Water Connection Kit

For use with Clean Storm, Sandia Plastics, and Nautilus Auto Fill and Dump Extractors.
Great for use with High Flow Extraction and Direct Connect systems
What is different about this kit over the others, is, that it includes heavy duty auto dump hose and the auto fill hose has the female QD installed on it that is needed for the brands listed above.

Don't get stuck at a job trying to figure out how to hook up your auto fill system to hot water because this kit has every connection for hooking to hot water.
