#### Additional Information

Save over purchasing individually

To purchase individually click on links below to open in new window.

Use this hose set to clean at 15 ft, 50 ft, 65 ft, from the machine.

Can be used with electric portables with 4 stages of vacuum (15,000 Vacuum units) with 2" vacuum port or any truck mounted carpet cleaning machine.

This is our most recommended hose length for start up packages

Compatible with 99.9% of all makes and brands of carpet cleaning and auto detail machines.

Start off with 2" Id vacuum hose off the machine and then transition to 1.5" ID vacuum hose next to the cleaning tool.
