Rugged Industries TGU-14HY, Tuff Glide, Internal 14in White, Carpet Cleaning Wand, ATTGL14S

Manufacturer: Rugged Industries

Rugged Industries TGU-14HY, Tuff Glide, Internal 14in White, Carpet Cleaning Wand, ATTGL14S
Description
A great glide can truly elevate your wand's cleaning ability. That's why Rugged Industries is proud to introduce our new Tuff Glide!
Features

- Tuff Glides are made out of superior quality, 100% pure virgin PTFE. They effortlessly glide over any carpet.
- They're specially built to adapt to a wide variety of 14" and 12" wands.
- These hybrid style glides are able to pick up debris while sliding easily over carpet and drying quickly. They also allow you to clean to the carpet's edge.
- High quality glides don't have to break the bank.

Specification
Glide contact with carpet is 7/8" wide X 13-15/16" Long
3/16" slots and holes.
Wand slot needs to be 5/16" wide to fit up inside wand head
Height but can be shortened on bench grinder.
Fit both 12" and 14" wands but will have to be cut to fit. Use a file, bench grinder, hack saw...
