Model Number: ATTGL14S

Wand Tuff Glide Internal 14in White ATTGL14S

Manufacturer: Rugged Ind

Carpet Cleaning Wand Glide 14" White

compare to current or past OEM associations:

ATTGL14S

Glide contact with carpet is 7/8" wide X 13-15/16" Long
3/16" slots and holes.

Wand slot needs to be 5/16" wide to fit up inside wand head
Height but can be shortened on bench grinder.

Tuff Glides

Truly Tuff

Tuff Glides® are made out of superior quality, 100% pure virgin PTFE. They effortlessly glide over any carpet.

Adaptable

They're specially built to adapt to a wide variety of 14" and 12" wands.

Effective

These hybrid style glides are able to pick up debris while sliding easily over carpet and drying quickly. They also allow you to clean to the carpet's edge.

Affordable

High quality glides don't have to break the bank.

Fits:

Fit both 12" and 14" wands but will have to be cut to fit. Use a file, bench grinder, hack saw...
