Manufacturer: Clean Storm

Clean Storm 20130103 - 22mm Male to 1/4 in Insulated Carpet & Tile Cleaning QD Adapter

Description

Easily adapt your heavy-duty pressure washing equipment for professional floor care applications with the Clean Storm 20130103 Quick Disconnect Adapter. Designed for maximum versatility and safety, this adapter effortlessly hooks up to a standard 22mm female pressure washing hose, converting it to accept standard 1/4-inch carpet and tile cleaning tools and hoses.

Featuring a high-quality protective insulated jacket, this connector safeguards technicians' hands from high operational temperatures during hot water extraction and pressure rinsing. Whether you are transitioning from high-pressure washing to hard surface restoration or truckmount carpet extraction, this adapter delivers a secure, leak-free quick-connect solution built for demanding job sites.

Features

- Seamless Equipment Conversion: Easily connects 22mm female pressure washer hoses to standard 1/4" quick disconnects used in carpet and tile cleaning tools.
- Thermal Protection Design: Built-in insulated grip ensures safe, comfortable handling during hot water high-pressure operation.
- Durable Construction: Engineered with corrosion-resistant, industrial-grade materials designed for high PSI and thermal stress.
- Universal Compatibility: Fits standard pressure washing screw couplings and standard professional floor restoration tools and wands.
- Quick Disconnect Convenience: Saves setup and teardown time on the job site with hassle-free connection and release.
