Clean Storm 20130429, 2in Barbed x 1-1/2in MIP Plastic Vacuum Port Connector Insert Fitting, AH69

Description

Upgrade and maintain your carpet extraction equipment effortlessly with the Clean Storm 2" Barbed x 1-1/2" MIP Plastic Vacuum Port Connector Insert Fitting (AH69). Designed for versatility and durability, this heavy-duty plastic adapter allows you to easily modify or convert the standard 1-1/2" barbed intake connection on the front of your portable carpet cleaning extractor to accommodate larger high-airflow vacuum hose setups.

In addition to portable extractor modifications, this high-performance insert fitting serves as an OEM-grade replacement part for select Legend Brands, Sapphire Scientific, and Prochem truckmount drain systems. It seamlessly connects 1.5" ball valves directly to a 2" ID recovery tank drain hose, ensuring secure connections and efficient fluid disposal.

Features

- Dual Connection Design: Features a 2" Hose Barb on one end and a 1-1/2" Male Iron Pipe (MIP) thread on the other for versatile plumbing applications.
- Easy Extractor Conversion: Effortlessly swap out existing fittings on portable carpet cleaning machines to boost vacuum performance and hose compatibility.
- Truckmount System Compatible: Ideal for joining 1.5" drain ball valves to standard 2" inside diameter (ID) waste dump hoses on major truckmount models.
- Durable Plastic Construction: Engineered from high-strength PVC material to resist chemical corrosion, moisture, and rugged daily field use.
- Universal Fitment: Designed to cross-reference directly with top industry brands including Clean Storm, Hydroforce, Sapphire Scientific, Legend Brands, Prochem, and Karcher.
