Nilodor 128-WSR, Nilium Orange Water Based Deodorizer, (Case of 4x Gallons), GTIN 20021883021290

Manufacturer: Nilodor

Choose Nilium to enhance your cleaning efforts. Simply mix one ounce of Nilium into your regular cleaning solution to deodorize every time you clean. Nilium can be used in conjunction with cleaners, disinfectants, insecticides...anything water soluble. It can be used daily to counteract odors every time you clean. Applications for Nilium are practically unlimited!
-

Nilium is the most effective water-soluble odor counteractant available. Nilium will neutralize malodors instead of simply masking them. Most other deodorants contain perfumes which merely cover up or provide a fragrance for a very short time. Nilium will provide immediate relief from the malodor leaving a pleasing fragrance, while Super n Concentrate works to physically neutralize the malodor. One application of Nilium will counteract odors up to 24 hours

-

Mopping or Cleaning: Add one ounce of nilium per gallon of cleaner/disinfectant solution. Severe malodors may require more

Air Freshener: Add 1-2 ounces (30-60 ml) of nilium with water per quart spray bottle.

Carpet Care: Pretest for color fastness: Add 1/2 ounce (15 ml) ofnilium to one gallon of carpet cleaning solution. Compatible with all water soluble carpet chemicals...including fifth generation cleaners.
