Manufacturer: Clean Storm

Clean Storm 18-000, Carpet Cleaning Solution Hose, 50 ft x 1/4" ID, 3000 PSI with Stainless Steel Quick Disconnects

Description

The Clean Storm 18-000 is a commercial-grade carpet cleaning solution hose engineered for high-pressure performance and durability. Measuring 50 feet in length with a 1/4" inner diameter, this hose features single-wire braid construction rated for up to 3000 PSI, making it compatible with any brand of truck-mounted carpet cleaning machine. It comes pre-installed with premium stainless steel male and female quick disconnect ends for rust-resistant, secure connections.

Note: Default hose color is blue, but color is not guaranteed and may vary based on stock availability. An optional ball valve can be mounted on the female side of the hose to conveniently turn off water pressure for easier tool changes.

Features

- **Universal Truck-Mount Compatibility:** Works seamlessly with all major brands of truck-mounted carpet cleaning equipment.
- **Commercial Pressure Rating:** Built to withstand demanding commercial use with a maximum operating rating of 3000 PSI.
- **Stainless Steel Quick Disconnects:** Includes pre-installed heavy-duty stainless steel male and female ends for fast, leak-resistant connection and long service life.
- **Durable Wire Braid Construction:** Reinforced with a single-wire braid for added structural integrity and kink resistance.
- **Optimal Tool Flexibility:** Compatible with an optional female-side ball valve to shut off pressure quickly during tool swaps.
