Mosmatic 90.061, High-Pressure Stainless Steel Water Filter, 1/4" NPTF x 1/4" NPTM

Model Number: 90.061

Mosmatic 90.061, High-Pressure Stainless Steel Water Filter, 1/4" NPTF x 1/4" NPTM

Manufacturer: Mosmatic

Mosmatic 90.061, High-Pressure Stainless Steel Water Filter, 1/4" NPTF x 1/4" NPTM
Description
The Mosmatic 90.061 is a commercial-grade, high-pressure water filter engineered to protect your pressure washing equipment from debris, sediment, and contaminants. Built with premium, corrosion-resistant stainless steel housing, this compact inline filter acts as a crucial line of defense for sensitive nozzles, surface cleaner swivels, and high-pressure pumps. Designed to handle intense industrial workloads, it effectively prevents clogging, maintains uniform spray patterns, and extends the lifespan of your specialized cleaning machinery. Its precision-machined 1/4" connections allow it to integrate smoothly into any standard high-pressure configuration.
Features

- Premium Stainless Steel Construction: Forged from high-grade, durable stainless steel to deliver superior wear resistance and complete corrosion protection under harsh chemical or environmental conditions.
- High-Pressure Performance Capabilities: Engineered to reliably handle demanding commercial and industrial pressure washing applications.
- Debris & Sediment Defense: Houses an internal mesh screen designed to trap particles before they can clog or damage high-precision rotor arms and stabilizer nozzles.
- Compact, Lightweight Footprint: Weighs only 0.4 lbs, ensuring it adds no noticeable bulk or strain to your trigger gun or surface cleaner assembly.
- Precision Universal Fitting Threads: Features a 1/4" NPT Female Inlet and a 1/4" NPT Male Outlet for a tight, leak-free, seamless fit into standard professional lines.
- Swiss-Engineered Reliability: Developed with legendary Mosmatic quality standards to minimize system downtime and reduce maintenance costs.

Specifications

Product Name	Mosmatic High-Pressure Water Filter

Steambrite Supply

Parts & Accessories > Filters > Water Filters - Low & High Pressure > Mosmatic 90.061, High-Pressure Stainless Steel Water Filter, 1/4" NPTF x 1/4" NPTM

Mosmatic 90.061, High-Pressure Stainless Steel Water Filter, 1/4" NPTF x 1/4" NPTM

Model Number
90.061

Manufacturer
Mosmatic

Inlet Connection
1/4" NPT Female (1/4" NPTF)

Outlet Connection
1/4" NPT Male (1/4" NPTM)

Housing Material
Stainless Steel

Filter Element Material
Stainless Steel Mesh

Product Weight
0.4 lbs (approx. 0.18 kg)

Country of Origin
Switzerland

Availability: This product was added to our catalog on Thursday 30 May, 2013
