Hydrotek WT267, Black Tank, 270 gallon 48in X 34in X 41in

Manufacturer: Hydrotek

Hydrotek WT267 Black Tank 270 gallon 48" X 34" X 41"H

Bare tank

Hydrotek collects sales tax in TX and CA

The 200 gallon tank is self
supporting, while others require cages or strapping to keep shape when
full. Tanks are available in black or white.
You won’t need to create a tie down strap, we’ve done it already.
The Hydro Tek steel hold down straps are fabricated to fit
these tanks securely. Simply bolt straps down to your
flat trailer. Two straps required per tank.

HOLD DOWN STRAPS
Part# HCS20, for 200g tank, stainless
Part# HTS03, for 270g tank, powder coated steel
