Description
The Clean Storm BR288 Brass 90-Degree Street Elbow is a high-durability, industrial-grade pipe fitting engineered for demanding fluid and gas transfer applications. Featuring a 3/4" Male NPT by 3/4" Female NPT configuration, this elbow allows for tight 90-degree routing of plumbing, hydraulic lines, and high-pressure hose connections without kinking. Built to withstand operating pressures up to 1,200 PSI, it is an essential component for truck-mounted carpet cleaning equipment, car wash bays, LP/Natural gas lines, and industrial hydraulic systems.

Features

• Heavy-Duty Brass Construction: Manufactured from premium CA360 brass (barstock) and CA377 brass (forged) for superior strength and corrosion resistance.
• High-Pressure Rating: Handles continuous operating pressures up to 1,200 PSI.
• Wide Temperature Tolerance: Rated for extreme operating environments from -65°F to +250°F (-53°C to +121°C).
• Versatile Compatibility: Designed for use with brass, bronze, copper, steel, aluminum, and iron pipe connections.
• Standards Compliant: Fully meets SAE No. 130239 specifications along with ASA, ASME, and SAE standards.
• Multipurpose Application: Ideal for car wash equipment, carpet cleaning truck mounts, instrumentation, refrigeration, grease, fuels, and hydraulic systems.

Parts & Accessories > Brass, Plastic, Steel, Stainless Hydraulic Fittings > Brass Fitting > Threaded X Threaded > Clean Storm BR288, Brass 90-Degree Street Elbow, 3/4in M NPT x 3/4in F NPT, 28160, Pumptec 30659

Clean Storm BR288, Brass 90-Degree Street Elbow, 3/4in M NPT x 3/4in F NPT, 28160, Pumptec 30659

BR288

Category
Car Wash & Auto Detailing

Thread Connection
3/4" Male NPT (MIP) x 3/4" Female NPT (FIP)

Ref. Standard
SAE No. 130239 (ASA, ASME, SAE Compliant)

Operating Pressure
Up to 1200 PSI

Temperature Range
-65°F to +250°F (-53°C to +121°C)

Vibration Resistance
Fair Resistance

Material
CA360 Brass (Barstock) / CA377 Brass (Forged)

Compatible Pipe Materials
Brass, Bronze, Copper, Steel, Aluminum, Iron

Cross Reference SKUs

BR288
