Pressure Washing QD 3/8in Fip X 3/8in Male Plug Nipple Stainless Steel Coupler, 85.300.104S GTIN 777987106390 87071440

Model Number: 87071440

Pressure Washing QD 3/8in Fip X 3/8in Male Plug Nipple Stainless Steel Coupler, 85.300.104S GTIN 777987106390 87071440

Manufacturer: Clean Storm

Clean Storm Pressure Washing Male 3/8" Plug X 3/8" Fip Stainless Steel last much longer than brass.
Harder metal will not rust or allow for the ball bearing in the female socket to indent this fitting.

Legacy quick connect couplings are machined from top grade materials to the same exacting specifications as the high cost performance leaders. We have gone a step further to ensure that Legacy Quick Couplers can withstand high temperature, high pressure and aggressive chemicals by including EPDM o-rings as standard.
Specifications:

- 3/8" Stainless Steel Nipple, Male
- Chemical Resistance
- 303 Stainless Steel
- 5500 PSI
-
