Clean Storm 6.6CRB500 psi Speed Package Carpet Cleaning System Bundle 20220751

Manufacturer: Clean Storm

Clean Storm Speed Package Cleans the Dirtiest Carpets up to 50% faster than Power Wands (Hoss 700 / Rotovac 360i) 20220751

1. The 25 amp vacuum system is powered by Dual 6.6 vacuum motors dry carpet 25% faster than 20 amp Dual 3 stage vacuum systems. 2 power cords included
2. Auto fill and auto dump lets you have non stop production. Machine does not need to follow you around the home,
3. The Injection sprayer presprays carpets with the traffic lane cleaner almost as fast as you can walk. 10 times faster than a pump up sprayer.
4. The Strong Dry TM5 Agitator power scrubs the dirties carpets clean with effortless speed. The TM5 suspends all the dirt and hair into the prespray. Be prepared for dry cleaning, tile cleaning and carpet cleaning.
5. The 14" Wide wand rinse the carpet 20% clean faster traditional 12" wide dual jet wands with with the stronger vacuum you have the machine to run faster wider tools.
6. Use the long crevice tool to finish. Zip around furniture, walls, and pick up hairballs without having to bend over.

Note: In a side by side comparison we found the carpets cleaned with this method came just as clean as using a power wand but did so 50% faster and burned 50% fewer calories.

The best thing about the Clean Storm Carpet Extractor that makes it unique from other

Carpet Extractors is the fact that it is a much lighter machine. You will find this 12 gallon machine easy to move with its size and weight but You'll find it packs a punch when it comes to its cleaning power. This Carpet Machine comes with a 12 gallon fresh water tank and a 12 gallon waste tank. It has dual 3 stage vacuums and a 500 PSI pump.

Sold machine only with power cords, 50 ft auto fill hose, 50 ft auto dump, Vacuum Hose mount hair and lint filter.

Warranty: Lifetime on Roto-molded body, 2 Years on Vacuum Motors, 1 year on Pump, 1 year on all electrical.

Note: Warranties will be honored if it is a Manufacturer Defect Only. Damaged caused by customer will not be honored. Labor warranty matches the duration of the associated part.

Examples of exclusions:

Heavy items crushing hose such as being runover Ect...

Allowing machine to be frozen in winter weather.  
Not changing Carbon brushes on Vacuum Motors after 1 year or 1,000 hours.  
Sucking Water, Mud, Dirt, and other debris into the Vac Motor  
Dry vacuuming without using a Dust Downer.  
Not lubricating Bearings on Casters, Piston on Pressure Regulator.  
Not cleaning filters on vacuum motors.  
Running Vacuum motors with the link cage removed in the waste tank.  
Running Flammable Solvents through the pumps.  
Not protecting the pump by using a lint filter or hose mount filter on Auto Pump Out machines.

Shipping is not covered under the warranty coverage unless you purchase an extended warranty.

Remember: Basic maintenance should be done to your machine frequently to keep it in good running condition.

All The Options:: Available models cover a wide range of options and performances. Two tank options (12 gallon, and 6 gallon). Five Pump options (100, 200, 300, 500 and 1200 psi). Clean Storm CRB-20" Wide Counter Rotating Brush (CRB) Pre-Scubber Shampooer  
and Dry Cleaning Machine VLM (Very Low Moisture)

Clean up to 10,000 sq ft per hour (929 sq meters)

Commercial carpet cleaning system that gives you 6 machines in 1.

1. Ultimate Pre-scrubbing agitator for before hot water extraction.
2. Adsorbent powder and encapsulation dry carpet cleaning machine.
3. Hard floor cleaning machine.
4. Pile lifting machine.
5. Area rug and wool cleaning machine.
6. Ultimate Hair removal machine.

Do you walk over money at your job sites?

Do you say you are only a carpet cleaner and walk over the tile to get to the carpet?

Do you set the area rug out of the way so you can clean the wall to wall carpet

underneath because you are scared they might bleed? Bring your carpet cleaning company into the 21 century with the TM5.

Can be used on dry, or damp carpet.

Change between brush types in under one minute. From soft area rug brushes, carpet cleaning brushes, tile cleaning brushes.

Ultra fast and super easy to use.

Counter rotation of brushes makes the machine glide over the carpet like a hockey puck on ice!

Built for the dry cleaning industry but quickly taking over as the best prescrubbing machine on the market today. Use before you rinse with your portable or truckmounted hot water extraction machine.

One machine can drive and clean the carpet, tile and delicate wool rugs.

2 year limited warranty on machine

5 year limited warranty on motor

Includes: Transport and dolly tray with anti brush crushing technology.

Includes: Snap in Stainless steel splash and dust cover with transport wheels.

Includes: Snap in Stainless steel renovator trays with view windows.

Assembled in the USA from globally sourced products.

Question: Are the soft white brushes that are supplied with the machine OK to use on wool, jute, sisal, and silk rugs?

Answer: The with brushes on the Clean Storm CRB-20 do just fine on natural fibers, however, I do try brushes on any small area of the carpet or rug prior to performing the actual cleaning job. So most customer will opt to purchase the Tile Cleaning Brushes as the back up set.
