Clean Storm 3200X4, Brass Extender, 1/4 in MIP x 1/4 in FIP, 28192

Description

Upgrade and adapt your plumbing, pressure washing, or carpet cleaning equipment setups with the Clean Storm 3200X4 Brass Extender. Precision-machined from high-grade solid brass, this heavy-duty adapter provides a reliable extension between 1/4-inch male and female pipe threads. Designed to withstand high pressure, corrosion, and continuous commercial use, it ensures a secure, leak-free connection for water, air, and chemical lines.

Features

- Durable Brass Construction: Crafted from heavy-duty brass for maximum strength, longevity, and superior resistance to corrosion and rust.
- Precision Extension Adapter: Designed with a 1/4" Male Pipe (MIP) on one end and a 1/4" Female Pipe (FIP) on the other for seamless length additions or line connections.
- High-Pressure Tolerant: Ideal for high-pressure applications, including carpet extraction equipment, pressure washers, and air lines.
- Leak-Free Seal: Clean, precise NPT threading ensures a tight, secure fit with standard pipe connections.
- Versatile Application: Perfect for professional cleaning technicians, plumbers, and industrial maintenance setups.
