Thermoid Inc ValuFlex 00114608200 Air and Water Hose HBD 1/2 in ID Per Foot 200psi Red or Black GS GP (ValueFlex or Texcel)

Order by the Foot

For Air, Water, General Purpose, General Service.

Features

- Texcel / Valuflex/GS is one of the finest multipurpose air and water hose available anywhere.
- Valuflex is a very economical general service air and water hose.
- It can be used in numerous industrial agricultural and construction applications where oil is not a factor.
- Valuflex is easy to handle and very flexible due to its multi-spiral layers of durable reinforcing polyester yarn.
- Valuflex provides constant working pressures of 200 psi.
- It has an EPDM tube and cover that resists abrasion, heat and ozone.
- This hose is not for use as a steam hose.
