Clean Storm 85.206.012L 12Ft Telescoping Standard Fiberglass Spray Lance 4000psi 8.0GPM
200F GTIN 777987339002

Manufacturer: Clean Storm

Telescoping Pressure Washer Wand offers the fast, easy way to clean buildings, large trucks, signs and other big equipment in half the time — from the safety of the ground! Innovative design retracts to a more manageable size and allows for easier field maintenance. Heavy-duty screw connectors and innovative clamping system for the gun and lance increase strength and durability. New higher-flow spray gun allows for low pressure chemical applications*. Nozzle holder accepts standard quick-couple spray nozzles (nozzles not included). Includes gun with a 3/8in. female NPT inlet and 3/8in. male plug x 22mm male screw-type connector.

Clean areas from 6-1/2 feet up to 12 feet high without the use of a ladder. The telescoping wand is ideal for cleaning second story walls, gutters, and many other hard to reach areas. The lightweight fiberglass construction makes the long wand easy to hold, and the screw-type lock ensures that the poles will not move or slip during operation.

Photo is not accurate but only represents what it could look like. Orders filled with twist lock pole and not a lever lock pole.

Features:

- Twist Lock makes adjusting pole height fast and easy
- Two aluminum inner poles & amp; fiberglass outer pole for maximum strength.
- Durable threaded gun for quick removal and easy field repair
- M22 screw-type connections included to easily and securely add accessories
- Comfortable soft padded grip area

Specifications:

- Maximum Pressure: 4000 PSI
- Maximum Flow: 8.0 GPM
- Maximum Temperature: 200 F
- Sections (3): 2 Aluminum inner & amp; 1 fiberglass outer
- Inlet: 3/8 QC Plug (Installed), 22mm-14 Male twist connect (included in box)
- Outlet: 1/4" Brass socket (accepts color coded nozzles)
- Internal Hose: 1/4"
- Weighs approximately 15 lbs.
