Model Number: 5007

Mytee 5007 Circuit Hunter Inverter Dual 15 amp 115v to 230v 20 amp twistlock NEMA L6-20 Includes 25ft power cord

Manufacturer: Clean Storm

Mytee 5007 Circuit Hunter Inverter Dual 15 amp 115v to 230v 20 amp twistlock NEMA L6-20 (5007 Discontinued, Alternate ReverseL6-20R)

Please note that Mytee is no longer going to manufacture this product and as such does not mean that it cannot be built rather, SteamBrite will have to manufacture an alternative item that functions the same way. It will look different but function the same. Please allow for additional build time.

If placing an order on this page you are placing an order for the Reverse L6-20R!

5007 item is same as item below but with dual 50 ft power cords instead of 25 ft power cords.

Power Joiner Step Up Inverter Converts Dual 20 amp 120 Volt outlets to allow 240 Volt 4 wire 20 amp Use (ReverseL6-20R)

Optional:

We recommend that you upgrade the power cord that travels between the hunter box and the Escape to 10 awg gauge! (see below):

Extension Power Cord 230 Volt 50 ft 10 gauge 3 wire 10-3 with ends installed L6-20 P and R Not E351 20171017

Mytee 5007 Circuit Hunter Inverter Dual 15 amp 115v to 230v 20 amp twistlock NEMA L6-20 Includes 25ft power cord

Originally Included with the Mytee Escape Electric Truckmount

Mytee Products Escape ETM Electric TruckMount

Note: User assumes all responsibility on use. It is the users responsibility to check the inbound voltage, outbound voltage, and total amp draw to verify these are not going to be overloaded. The user agrees to test the amp draw of any appliance or machine that they plug into these converters to ensure they are not being overloaded. Meters are cheap and mistakes are expensive. You can purchase a meter at Here!

User agrees to hold Steam Brite, its employees, and agents harmless in the event of any use of said use of converter. The user agrees to not hold SteamBrite and all employee against any problems that arise out of the use of said converters. Remember, just because it plugs in does not mean it is OK to use!

Works with Husqvarna PG280 PG450 and PG530 Grinders!
