Malish Stone and Concrete Maintenance Scarifying Brush 21in GTIN: 6-15129-73721-0

Manufacturer: Malish

Flat Butcher Wire
Scarifying brush uses staple set butcher wire to cut through dirt and buildup on concrete floors and scratch the surface clean.

WARNING! Concrete floor tools must be operated by experienced professional floor machine operators only. Operator must wear protective face shield, ear protection, footwear, and dust mask. Designed to be used on a standard 175 RPM rotary floor machine with a 1-1/2 HP motor ONLY. DO NOT USE WITH OR NEAR FLAMMABLE MATERIALS!

*** Flat Wire Staple Set packed one per case
