High Powered UV Light for Carpet Cleaners 2644-1877

Tired of working with the lights off at your customer’s house? Keep the lights on with the Hydro-Force 3x3W UV light. Under the hood are (3) three watt CREE LEDs, providing an astonishing 9 watts of UV brilliance. The light is powered by three lithium ion batteries so you have enough juice to get through the day without needing to recharge. The included charger allows you to use the batteries over and over, significantly reducing the lifetime cost of the light.

•395 nm
•Powered by three 2400mAh 3.7V lithium ion batteries.
•AX174 Kit includes: case, UV glasses, charger, 3 lithium batteries, and UV light.
•(3 CREE) – 3 watt LED lights – 9 watts total
•Double O-rings for superior water seal; IP 66 waterproof
•Recessed button for protection
•Aircraft grade aluminum
•Hi Temp Protection Auto Shut Off
•Glass lens (not cheap plastic)
•3-4 hrs. continuous run time

Please note the factory collects sales tax in almost every state.

Optional

Purchase the UV Light separately and use stronger Lithium batteries instead of rechargeables.
