Model Number: AH102B

AH102B, Portable 1/4 Inch Male Brass QD, Quick Disconnect, ONE Import with Stainless Poppet, 86970800, Mytee MYB101 Plug

Manufacturer: Clean Storm

AH102B Portable 1/4" Male Brass Quick Disconnect Plug with Stainless Poppet

AH102B is one of the most common 1/4" male quick disconnect plugs used on portable carpet extractors, upholstery tools, solution hoses, and low-pressure cleaning accessories. This brass QD plug includes a stainless poppet in the throat to help reduce dripping when disconnecting hoses.

Common Applications

- Portable carpet cleaning machines
- Upholstery cleaning tools
- Solution hose connections
- Low-pressure / low-temperature extractor applications
- Replacement for many OEM-style 1/4" male QD plugs

Product Features

- 1/4" male quick disconnect plug
- Brass body construction
- Stainless poppet in throat
- Affordable import replacement
- Brand new, never used
- Commonly paired with AH101B 1/4" female quick disconnect coupler

Important Fitment Notes

- This is normally used for carpet cleaning extractor solution lines and portable machines.
- May not be suitable for tile and grout cleaning, high-pressure pressure washer use, or high-temperature truckmount applications unless your machine uses this same 1/4" QD style.
- Always compare your old fitting, thread size, and mating coupler before ordering.

Recommended Add-On

For a complete matching set, also order the AH101B 1/4" Female Brass Quick Disconnect Coupler.

FAQ

Q: Is this the same style as Mytee B101?

A: Yes, this listing cross-references to Mytee B101 / MYB101. Mytee lists B101 as a brass 1/4" male quick disconnect with 1/4" female pipe thread.

Q: Does this include the stainless poppet?

A: Yes. This AH102B includes the stainless poppet in the throat.

Q: Will this fit all carpet cleaning machines?

A: No. It fits many common portable extractor and low-pressure cleaning applications, but you should verify your existing fitting style before ordering.

Q: Can I use this for tile cleaning or pressure washing?

A: Usually no. This part is intended for common portable carpet cleaning solution-line use, not high-pressure tile spinner or pressure washer applications unless your equipment specifically uses this fitting.
