Clean Storm AB35A Premium Grout Brush CHISELED STIFF for Tile Cleaning with Handle 1678-4961

Manufacturer: Clean Storm

Clean Storm AB35A: Premium Grout Brush CHISELED STIFF for Tile Cleaning With Handle 1678-4961

Description

This durable, acid resistant nylon tile brush with included handle is the perfect solution for getting stubborn grease out of deep grout lines. The grout brush easily screws on for a tight connection with the heavy duty wooden handle with integrated metal threaded tip.

This new premium grout brush has stiffer bristles in a tapered configuration that allows you to brush hard into the smallest crevices with greater control and speed. The nine inch brush block fits on a threaded handle.

Features

- Stiff chiseled brush helps keep inside those grout lines!
- Good for cleaning corners and grooves.
- Pivoting mounting bracket, attaches any standard threaded handle (included)
- 9" X 1-1/2"
