The biggest WINCO air-cooled emergency standby generator is the PSS20B. The powerful big block Briggs & Stratton Vanguard engine is durable and powerful. With over 62.5 amps of output on LP gas there is enough power that your family will barely notice the power is out. Since it is built by WINCO you know that is built to higher quality standards and that we load test each model before it leaves the factory to ensure it meets our high performance standards.
Engine Features

- Commercial grade Briggs & Stratton Vanguard engine
- V-Twin horizontal design provides smoother power over single cylinder engines
