Description
You work your tail off 12+ hours a day. It's time to hold your engine to the same standard. With extended maintenance intervals and fuel-efficient operation, KOHLER Command PRO engines work as hard as you do.
Features

• Integrated oil coolers extend oil-change intervals and maintain low temperatures during the entire power range

• High-efficiency, heavy-duty air filters provide protection from debris and ensure longer service intervals

• Extra-large sleeve bearings support heavy loads in commercial and industrial environments
