Mosmatic 33.910, Swivel Repair kit for DGG DGL and DGS Swivels, NW 1/4in
Description
Ensure smooth and reliable swivel operation with the Mosmatic DGG, DGS, and DGL Swivels Seal Kit 33.910 - NW 1/4". This precision-engineered replacement kit features high-quality O-Ring NBR seals, designed specifically for swivels with a nominal width of ¼ inch. Built to withstand thrust and radial forces, it is ideal for high-flow and high-pressure applications including automatic car wash systems, hose reels, tire cleaners, self-rotating equipment, ceiling booms, parts washers, and hydraulic systems. Keep your swivel performing like new in demanding environments.
