Model Number: ANT2NH

Hydrotek ANT2NH Hydro Twister 24in Surface Spinner Wand Stainless Steel

Manufacturer: Hydrotek

Hydrotek ANT2NH Twister Surface Spinner Wand 24" Stainless Steel

24" Hydro Twister Surface Cleaner

Introducing the ANT2NH Hydro Twister®; durable stainless steel construction will not rust or corrode, lightweight design decreases operator fatigue. Two nozzles, rotating at up to 2000 RPM, clean up to 10 times faster than with the use of a wand alone and with better cleaning consistency without leaving "zebra stripes". Four heavy-duty sealed casters allow for easy maneuverability and its compact design allows it to be used in tight areas. Rear splash guard keeps the operator dry.

Introducing the ANT2NH Hydro Twister®; durable stainless steel construction will not rust or corrode, lightweight design decreases operator fatigue. Two nozzles, rotating at up to 2000 RPM, clean up to 10 times faster than with the use of a wand alone and with better cleaning consistency without leaving "zebra stripes". Four heavy-duty sealed casters allow for easy maneuverability and its compact design allows it to be used in tight areas. Rear splash guard keeps the operator dry.

The Hydro Twister®; Advantage...

- Low Profile Deck: Will go right under benches & machinery
- Low Maintenance: Stainless permanently lubricated & sealed bearings
- Long Life Swivel: Carbide seal withstands high temperature water
- Less Fatigue: Handle is held in place at ideal working angle
- Adjustable Handle: Locate to middle or rear positions or fold down
- Hose is protected inside stainless steel handle
- Rustproof and heavy duty for daily use

Customer uses own gun with 22mm connection
