Over View:

This NorthStar high-performance pressure washer combines the power of premium Honda GX engines with a long-life direct drive axial pump for unsurpassed performance on tough cleaning tasks. Horizontal shaft engine is engineered for long life. Rear hose-entry spray gun with split lance keeps the hose out of the way for easy handling. Coil assembly is fully encased in a custom-molded ceramic fiber refractory combustion chamber with low thermal conductivity and resistance to thermal shock.

Features:

- Honda GX160 OHV engine features cast iron sleeve
- Horizontal shaft engines last five times as long as vertical shaft engines
- Direct drive axial pump has easy start
- 22mm quick connection makes it easy to use multiple attachments
- 5 quick-couple professional nozzles
- Downstream chemical injector
- Contact with water or oil will not damage insulation; upon drying the insulation regains its original shape
- Uses 1/2in. schedule 80 extra-heavy pipe
- Forged brass manifold gives improved strength over cheaper aluminum
- Easy Start stops pressure build-up during start-up
- Adjustable pressure for job versatility

Pressure Pro E4035HC Eagle 4gpm 3500psi Gas Direct Cold Pressure Washer 13hp Honda Cat Pump

Sight glass lets you quickly check pump oil
Includes a long-lasting, non-marking steel-braided rubber hose
