Clean Storm 28196, Brass Extender 1/2in Mip X 1/2in Fip

Description

Upgrade your plumbing, pressure washing, or truck mount setups with the durable and reliable Clean Storm 28196 Brass Extender. Designed to bridge connections seamlessly, this fitting features a 1/2-inch Male Iron Pipe (MIP) connection on one end and a 1/2-inch Female Iron Pipe (FIP) connection on the other. Crafted from high-grade, heavy-duty brass, it offers exceptional resistance to corrosion, high temperatures, and wear, ensuring a secure, leak-free seal for professional-grade applications.

Key Features

- Constructed from premium heavy-duty brass for long-lasting durability and corrosion resistance.
- Precision-machined threads ensure a tight, secure, and leak-free fit.
- Ideal for plumbing, carpet cleaning equipment, pressure washers, and fluid transfer systems.
- Easy to install with standard plumbing wrenches.
