Clean Storm 28194, Brass Extender 3/8in Mip X 3/8in Fip, Kaivac CPS59

Model Number: 28194

Clean Storm 28194, Brass Extender 3/8in Mip X 3/8in Fip, Kaivac CPS59

Manufacturer: Clean Storm

Clean Storm 28194, Brass Extender 3/8in Mip X 3/8in Fip, Kaivac CPS59

Description

Upgrade and maintain your equipment with the durable Clean Storm Brass Extender. Designed with a 3/8-inch Male Iron Pipe (MIP) to 3/8-inch Female Iron Pipe (FIP) connection, this high-quality brass fitting ensures a secure, leak-resistant extension for your plumbing and fluid lines. Built to withstand demanding commercial environments, it serves as a reliable replacement for OEM part numbers like the Kaivac CPS59.

Features

- Durable solid brass construction for long-lasting corrosion resistance and reliability
- Standard 3/8" MIP x 3/8" FIP threading for versatile compatibility
- Precision-machined threads ensure a tight, secure, leak-free connection
- Ideal for commercial cleaning equipment, pressure washing, and plumbing setups
- Direct replacement for OEM parts
