Clean Storm BR020, Brass Hose Barb, 1/4 in MIP x 3/8 in Barb, 8.705-104.0, 87051040, 32-012, 32012

Manufacturer: Clean Storm

Clean Storm BR020, Brass Hose Barb, 1/4 in MIP x 3/8 in Barb
Description
The Clean Storm BR020 Brass Hose Barb is a precision-engineered fitting designed for secure and reliable fluid transfer in commercial cleaning and industrial equipment applications. Featuring a 1/4 inch Male Pipe (MIP) thread on one end and a 3/8 inch hose barb on the other, this durable fitting ensures a dependable connection for your hoses. Crafted from high-quality CA360 and CA377 brass, it offers exceptional strength and longevity under demanding operating conditions. Whether you are performing routine maintenance or setting up new equipment, this hose barb delivers the performance and compatibility required by professionals.
Features

- Constructed from durable CA360 and CA377 brass for barstock and forged fittings
- Equipped with a 1/4 inch MIP threaded connection and a 3/8 inch hose barb
- Designed for reliable use with standard hose clamps, similar type clamps, or crimped ferrules
- Wide temperature and working pressure ranges from -40°F to +160°F at 150 PSI maximum
