Nikro HP20GAS Replacement bag for Gas powered Air Duct Cleaning System (Bag only 860453)

Manufacturer: Nikro

Portable Gas Powered Air Duct Cleaning System

Product Description

With its 20 HP gasoline engine, the #HP20GAS is more mobile than traditional truck and trailer-mounted units. With its 4 - 10" pneumatic wheels and dual position handle, it can be transported easily to a convenient location. Using shorter, more efficient hose runs and an external filter bag, the HP20 offers "near truck mount" performance at a fraction of the cost. With its performance, advantages, and economical price, the #HP20GAS is an ideal choice for entry-level duct cleaning contractors and experienced veterans. Each unit comes complete with 2 - 6.6 gallon remote fuel tanks, 10" or 8" optional intake set up, and 1 High efficiency filter bag. 2 year warranty.
