Clean Storm 310874, Brass Check Valve, 1 in FIP x 1 in FIP, 8.709-386.0

Model Number: 310874

Clean Storm 310874, Brass Check Valve, 1 in FIP x 1 in FIP, 8.709-386.0

Manufacturer: Clean Storm

Clean Storm 310874, Brass Check Valve, 1 in FIP x 1 in FIP, 8.709-386.0

Description

The Clean Storm 310874 Brass Check Valve is engineered to hold pump prime effectively without overloading pump suction. Built with durable machine-cast brass, this heavy-duty inline check valve prevents backflow and maintains system pressure, making it ideal for high-performance pumping setups, pressure washing systems, and fluid management applications.

Features

- Durable machine-cast brass body construction
- 1" FPT x 1" FPT (Female Pipe Thread) connections
- Versatile mounting options: Mount horizontally or vertically
- Prevents backflow to ensure consistent pump priming
- Engineered to prevent suction overload on pumping systems
