Rubbermaid RCP 7588 RED MOPPING COMBO-RED

Manufacturer: Rubbermaid Comm

? Space-saving plastic bucket provides 35-quart capacity in a 26-quart footprint. Raised back design gives extra leverage when wringing, helps reduce chance of backstrain. Lower, wider front for pouring and larger mop target area. Support handles in back and comfortable bail design make emptying easier. Putty knife holder, nonmarking 3" gray casters. Mop bucket 7570 with wringer 6127 in distinctive colors to help organize cleaning equipment. Assign different color buckets for different tasks to eliminate potential cross-contamination. For 12-32 oz. mop heads. Heavy-duty Brute? mop wringers with corrosion-resistant handles and hardware.
