Model Number: RCPQ412WHI

Rubbermaid RCPQ412WHI 18in Microfiber DRY FLR CLN Pad White (Case of 12)

Manufacturer: Rubbermaid Comm

Ultra-fine denier microfiber strands (1/10th size of human hair) on mop heads improve dust and bacteria removal rates. Use in hospitals, health care facilities, laboratories and high-tech clean rooms. Increases labor productivity by eliminating water changing and purification steps. Reduces use of chemicals and water. Trapezoid shape easily reaches corners. For dry dusting prior to wet mopping. White.
