Description

Protect your customer's walls from abrasion when the hose dragged through the home!

Protects all the corners of walls, door jams, and furniture. The Wall Buddy portrays a professional image which reassures your customers that you care. Protects against costly insurance claims due to damaged corners or walls. The Wall Buddy is made from lightweight non-marking durable plastic and will never rust. Sell directly to your customers that use central vacuum systems. Has two spaces to place specials or other promotions on the sides with sticky paper that is available at all office supply stores.

Specifications

- Prevent hoses from damaging paint or wall coverings
- Light-weight
- Non-marking plastic
- Unbreakable
- 15" H X 5" Coverage on each wall X 3.75" flange on each wall.

A set of three Corner Guards is recommended minimum for most residential jobs.

Please note the exact shade or color of plastic is not guaranteed.
