Chemspec C-CEUC4G ColorFast Extraction Upholstery Cleaner Rug Clean 4/1 Gallon Case Color Fast
Specifically Formulated As a Cold Water Extraction Product To Prevent Color Loss When Cleaning Wool Or Any Other Fiber That Presents a Bleeding Problem
An Acid Side Detergent Formulation That Gently, Yet Effectively Cleans Even The Most Challenging Of Potential Bleeders

*** Factory superseded by ***

All Fiber Deep Clean Rinse

119317 (8.695-119.0) - Four 1 gal. / 3.8 L bottles

Controls and eliminates browning and rinses clean.
Buffered For Economy Color Fast for Rugs in concentrate has a pH of 2.87, yet when diluted maintains its acid cleaning ability with a pH of 3.2. Color Fast for Rugs allows you to clean in confidence and eliminates the need to use an acidic textile rinse. This saves you time and reduces the chance of overwetting.

Not available in California
