Powr-Flite NM1600 1600 RPM 20in Electric Burnisher

Model Number: NM1600

Powr-Flite NM1600 1600 RPM 20in Electric Burnisher

Manufacturer: Powr-Flite

1600 RPM 20in Electric Burnisher

Our burnishers give you years of trouble free operation, making it easy to bring the life back to almost any hard floor surface! These machines offer exceptionally smooth operation with a flexible, self-adjusting pad driver that burnishes unlevel surface areas evenly. Our patented design combined with precision balanced weight distribution eliminates the need for a compensating caster. The entire pad is touching the floor, not just a couple of inches like conventional burnishers!

Product Features:

NEW one piece all metal handle housing, tube and trigger assembly for aggressive cleaning

Floating handle for easy operation with safety start-up/lockout

Full pad-to-floor contact, no compensating caster

Flexible pad driver

EQUIPMENT WARRANTY INFORMATION

All Powr-Flite equipment has been carefully tested and inspected at the factory. It is guaranteed, subject to the terms stated in this warranty, to be free of defects in materials and workmanship. We will repair or replace any parts which, upon examination, prove to be defective in material and workmanship. For warranty claims, call our Customer Service Department.

NOTE: Electric cable switches, carbon brushes and couplings are excepted from these guarantees, but the purchaser is assured meticulous care has been exercised in the selection, assembling and testing of these parts before shipping. This warranty does not apply to damage caused by accident, misuse, negligence, abuse, fire or to any Powr-Flite product which has been repaired by other than an authorized Powr-Flite distributor or factory personnel. Warranty is void if products are used for any purpose other than that which was intended. Please read instruction manuals and maintenance instructions carefully.
